Notes

1. This cost estimation is approximate, for budgeting purpose only, and may not reflect the eventual cost of the trip, which will be dependent on the type, category and location of your final accommodations, eventual sleeping arrangements, mode of transport and total distance travelled within the duration of the trip, location, type and category of restaurants included in your selection, changes in entrance fees and service charges beyond our control, eventual additional services not included here, and personal expenses beyond this selection of activities.
2. All selected meals are budgeted for typical establishments frequented by locals or smaller restaurants serving local cuisine. Cost of mineral water is assumed to be included, while soft drinks, wines and other beverages are meant to be paid for separately.
3. Accommodation costs are based on an assumed average amount for twin or double rooms in a generic 4-star hotel.
4. Activities are budgeted to be accompanied either by a local specialist guide and/or host, but you may also request a tour leader to accompany the group for the entire length of your stay for an additional fee.
5. The selected activities are indicative and can be further customised upon discussion.
6. The budget does not include any eventual costs that may be incurred due to restrictions and measures imposed as a result of local or regional Covid-19 policies in force at the time of travel. For more information in this please refer to www.ergo-travel.com/c-19-precautions/.
